

Knives & Guides

Specialist cutting tools and spares tough enough to tackle all kinds of glazing jobs.

Moon / Sprue Knife

- Sharp stainless steel blade
- Non-slip cushioned handle for comfort/safety
- Ideal for removing sprues on PVCu windows or as a general purpose knife

DCK10000

Sprue Guide

- 0.4mm sprue guide allows fast and accurate removal of the weld sprue on PVCu welded profiles when used with the industry standard moon knife

SPRUEGUIDE

Xpert Chisel Knife

"...this was by far the best tool for the job. It's also very sturdy and I'm sure it will last a long time."

David Torbett
